May 7, 2024 SBAMUG Core Group Meeting Minutes

In Attendance: Jim, Kent, Arnold, Nancie, Margaret, Joan

April Minutes - Nancie to send out minutes of April core group meeting

Feedback from last month's meeting - Graphic Converter topic - good presentation. Several people use Graphic Converter and had comments.

Status of SBAMUG Membership -

- ◆ Margaret is still attempting to reach previous members to see if they want to remain active.
- ◆ Membership Survey - Margaret said 36 have responded to her survey questionnaire and 36 have not responded yet; many are emails that have bounced back to her.

Treasury Report - Kent reported there was no activity during the last month

May meeting topic - Nancie will contact Phil Goodman with LAPUG to see if he will speak to our club. Possibly he can talk about the LAPUG May 13 meeting topic, or about his experience with Apple as an Apple Certified Trainer, or other topic. Jim will talk about passwords/phishing during Beginner's Q & A.

Jim mentioned the SPAM message sent to the core group on Sunday, May 5, 2024.

Discussion of alternate form of SBAMUG - consider an alternate form of club without the non-profit status. This is the format that LAPUG uses and it doesn't require any legal documents to be filed with State of CA, or three officers. **This topic was not discussed so it will be on the agenda for the June meeting.**
